Pick Date	9/13/18
Brix	25.0
pH/TA	3.6/0.7
Alcohol	14.2%
Aging	40% New French Oak
Cases Produced	100

Vineyard

The Lolita Vineyard is a special place, owned and farmed by Pam and Lee Martinelli Jr., planted to clone 777 on 420 A Mgt rootstock on Yorkville Clay Loam soils. It's a sweet, little block planted to a south facing hillside and meticulously cared for to attain true vine balance.

Vintage

The 2018 vintage was a big as it was beautiful with big, juicy clusters and wines of incredible depth and intensity. It was easy to work with this vintage due to the size; we were able to wait longer for greater phenolic development and flavor intensity and maintain balance with acidity.

Tasting Notes

Dark berries and plums resonate on the palate with framing tannins and bright acidity typical of the Forestville region of the Russian River Valley. Pairs well with grilled mushrooms, salmon, lamb, game fowl, and cool nights cuddled up in a blanket by the fire pit. Drink now through 2026.
